Description for commentator's narrative. Include any special details about the fabric, your inspiration for making it, or story behind your sewing. We suggest keeping it to 75-100 words.  
*(Example - This girl's sundress of quilting cotton from Olive Ann Designs is the perfect summer dress for on-the-go girls. The wrap style is reversible, so no worries about outfit changes when spills happen. Trimmed with jumbo rick rack and complete with a pair of matching shorts - it's both fun and functional.)*
